

Caravan & Boat Tanks – Order Form

PLASPOKE
Bespoke Plastic Fabrications & Designs

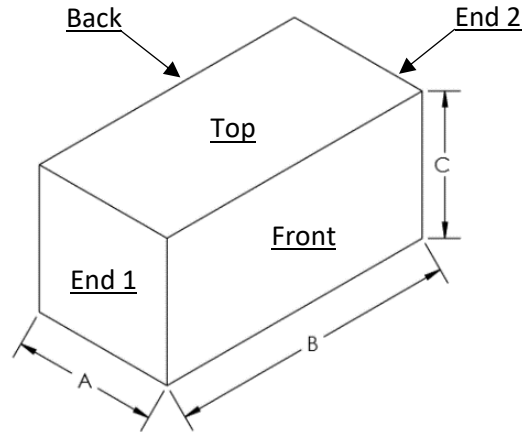

Plaspoke offers custom designed, fully baffled water, waste water & diesel tanks for caravans, boats, food trailers and horse floats.

Tank Type (Tick one)

- Fresh Water Tank
- Waste/Grey Water Tank
- Diesel Tank

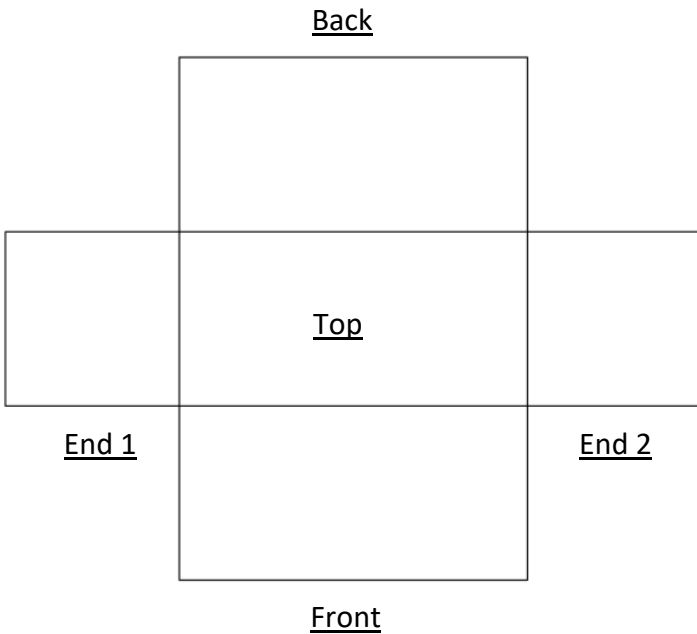

Tank Size (in millimetres)

- A = _____ mm
- B = _____ mm
- C = _____ mm

Fitting Locations

Clearly mark the size and position of the inlets, outlets and vent threaded sockets you require on the diagrams below. If you would like additional fittings mark them on here with a note of what it is exactly you require. Lastly show us how far you would like the fittings in relation to the tank's edges.

On Standard Tanks;

- Inlet (Threaded Socket)
- Outlet (Threaded Socket)
- Vent (Threaded Socket)
- Drain Plug (Optional)
- Baffles (if required)

Bottom
